4.	Air Evac. EMS, Inc. Neonatal Resuscitation Program (NRP) course Equivalent Update				Robert Galvin-This is a hospital program originally built for NICUs and NICU staff. We created an equivalent course for EMS because it was so hard for EMS to get those hours. They go through our online module then get checked off. AAP now has an online NRP program, so we've been asked to stop using our content and asked to use the AAP site. What we're asking the committee is for us to remove our content from the program and add AAP's. The check offs and process would still be the same. Bob Andrews-This has been approved in the past, they're just updating the course. This is the formality that they want to do by running it through the Education Committee. Motion to move this to the Board by Elizabeth Harney and seconded by Samantha Feldman. Motion carries.	
4.	Adjournment				Motion to adjourn by Elizabeth Harney and seconded by Samantha Feldman. Motion carries. Meeting adjourned at 1345 EST.
