

As outlined in Kentucky Administrative Regulation, it is time for the Kentucky Board of Emergency Medical Services to review and appoint the members of its committees for the upcoming year.

These committees are instrumental in informing and supporting the work of the Board and in guiding the stability and improvement of all emergency medical services across the State. If you would like to know more about these committees and their work please visit <https://kbems.ky.gov/About/Pages/Committees-and-Subcommittees.aspx>.

We would like to invite anyone who has an interest in serving to please contact Eddie Slone or John Holder at their respective email addresses which can also be located on the website. Be sure to include some background about your experience with EMS, which of the standing committees you are interested in, and how you feel you will be beneficial to the group and the citizens of Kentucky. Please be mindful that there are attendance requirements for serving and the commitment as well as schedule can be challenging.

We thank you in advance for your willingness to help and look forward to hearing from you.

John R. Holder  
Chair, Kentucky Board of  
Emergency Medical Services
