

Easy CE Management

Activate your account with CE Broker,
the official CE tracking system for the
Kentucky Board of Emergency Medical Services.

KBEMS-certified and/or licensed EMS clinicians are encouraged to use CE Broker to record and track [KBEMS-required EMS continuing education](#). The CE Broker [basic account](#) is free. Using the CE Broker CE tracking system will allow you to see your course history, report CE hours manually, and check your KBEMS CE compliance status. The professional and concierge accounts provide additional services and require an annual service fee. Using CE Broker to record and track EMS continuing education will provide a single location for EMS clinicians to manage their KBEMS-required CE. KBEMS will be able to verify completion of continuing education as required by [KAR](#) for EMS clinicians certified and/or licensed by the board. Individuals verified by CE Broker as completing KBEMS-required CE will not be included in routine CE audits conducted by KBEMS.

Key account features:

- **Digital Tracking** | Access your complete course history and check your compliance status any time.
- **Course Search** | Easily find courses to successfully complete your certification and/or licensure CE requirements.
- **Easy Reporting** | Most education providers will automatically report course completions to CE Broker for you, but you can also easily self-report any missing credits by uploading your proof of completion.
- **Helpful Support** | CE Broker provides a team of experts trained on your CE requirements and are available Mon-Fri from 8am - 8pm ET.
- **Take CE compliance wherever you go with the CE Broker mobile app** | Available on iPhone and Android from the [App Store](#) or [Google Play](#).
