### High-Yield Pediatric Airway & IO

**Presented by:** Max Jette, DO  
Emergency Medicine Resident,  
PGY-2  
University of Kentucky

10AM <https://cme.cecentral.com/emergency-medicine/content/emergency-medicine-respiratory-season-management-pediatric-airway-emergencies>

#### Objectives

Upon completion of this activity, participants will be able to:

- Identify when to obtain vascular access and/or an emergency airway in a pediatric population in prehospital setting
- 2. Review the importance of BVM vs other emergency airway options in pediatric population
- 3. Choose the correct avenue for vascular access in critically ill pediatric patients when considering IV vs IO

#### Objectives

Upon completion of this activity, participants will be able to:

- Identify key signs of respiratory distress vs. failure using the Pediatric Assessment Triangle
- Differentiate between upper airway (e.g. Croup) and lower airway (e.g., Asthma, Bronchiolitis) pathologies
- Verbalize management algorithms for asthma, anaphylaxis and foreign body aspiration
- Discuss red flags in Brief Resolved Unexplained Events (BRUE)

### Management of Pediatric Airway Emergencies

**Presented by:** Trevor C. Kohari, DO  
Emergency Medicine PGY-2  
University of Kentucky

#### Accreditation

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, UK HealthCare CE Central is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

#### AMA

This live activity is designated for a maximum of 1 *AMA PRA Category 1 Credit(s)™*. Physicians should claim only credit commensurate with the extent of their participation in the activity.

#### ANCC

The maximum number of hours awarded for this Continuing Nursing Education activity is 1 nursing contact hour.

#### EMS

The Kentucky Board of Emergency Medical Services (KBEMS) certifies that this educational activity is designated for 1 KBEMS contact hour.

An Equal Opportunity University.

If you require special physical arrangements to attend this activity, please contact **Rochelle Silvernail** at [rochelle.silvernail@uky.edu](mailto:rochelle.silvernail@uky.edu) or **(859) 619-6509**.
