Please sign into the chat: Type first name, last name, email and service for attendance whether or not you claim credit. If you wish to receive CE's, please pre-enroll on the CE Central Site using the links below for each course.

Wednesday, November 11th

9 A.M.
Link: eFAST Ultrasound In the Field

Presented by: Blake Davidson, MD Assistant Professor, Emergency Medicine, University of Kentucky, Lexington

Objectives

Upon completion of this activity, participants will be able to:

- Describe the principles and clinical relevance of the eFAST exam in the context of EMS.
- Demonstrate the proper technique for performing an eFAST exam in a prehospital setting; key anatomical landmarks and ultrasound probe positioning.
- Identify the indications and contraindications for utilizing eFAST in the EMS environment.
- Discuss common pitfalls and challenges associated with performing eFAST in the prehospital setting

10 A.M.
Link: Pediatric Seizures

Presented by: Danielle Dardis, MD Assistant Professor, Emergency Medicine, University of Kentucky, Lexington

Objectives

Upon completion of this activity, participants will be able to:

- Recognize seizure types
- Perform a rapid prehospital seizure assessment and glucose check
- Deliver timely and appropriately dosed treatment in the prehospital setting
- Describe status epilepticus and stepwise treatment
- Review seizure cases

If you require special physical arrangements to attend this activity, please contact **Rochelle Silvernail** at **rochelle.silvernail@uky.edu** or **(859) 619-6509**.

EMS HOT TOPICS

Accreditation

In support of improving patient care, UK HealthCare CE Central is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

AMA
