

EMS HOT TOPICS

LECTURE SERIES

Zoom meeting URL: <https://uky.zoom.us/j/84163572603> | Meeting ID: **841 6357 2603**

Please sign into the chat: Type first name, last name, email and service for attendance whether or not you claim credit. If you wish to receive CE's, please pre-enroll on the CE Central Site using the links below for each course.

Wednesday, October 14

9 a.m.

Regional Medical Operations

Communication Centers (RMOCCs): Essential for Peacetime and Conflict

Presented by: Andrew Bernard, MD FACS
Professor, University of Kentucky

Objectives

Upon completion of this activity, participants will be able to:

- Describe trauma as a health problem.
- Outline a trauma system.
- Define RMOCC and what it includes.
- Discuss HCW preparedness for LSCO.

10 a.m.

From Street to Stretcher: Emerging Drugs and Prehospital Management

Presented by: Regan A. Baum, PharmD,
BCCCP, Director of Research, Department of
Emergency Medicine, University of Kentucky

Objectives

Upon completion of this activity, participants will be able to:

- Describe current trends in the illicit opioid supply relevant to prehospital care
- Recognize field strategies of polysubstance opioid overdose
- Describe kratom's pharmacology and why it behaves like an opioid and a stimulant
- Recognize kratom and new synthetic derivatives intoxication in the field

If you require special physical arrangements to attend this activity, please contact
Rochelle Silvernail at rochelle.silvernail@uky.edu or **(859) 619-6509**.

EMS HOT TOPICS

Accreditation

In support of improving patient care, UK HealthCare CE Central is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

AMA

This live activity is designated for a maximum of *1 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

ANCC

The maximum number of hours awarded for this Continuing Nursing Education activity is 1 nursing contact hour.

EMS

The Kentucky Board of Emergency Medical Services (KBEMS) certifies that this educational activity is designated for 1 KBEMS contact hour.

Respiratory Therapy

The Kentucky Board of Respiratory Care has approved this educational activity for a maximum of 1.0 KBRT contact hour.

If participants attend both sessions (9AM & 10AM) they will be eligible for a total of 2 CE credits.

An Equal Opportunity University
