

EMS HOT TOPICS

LECTURE SERIES

Zoom meeting URL: <https://uky.zoom.us/j/84163572603> | Meeting ID: **841 6357 2603**

Please sign into the chat: Type first name, last name, email and service for attendance whether or not you claim credit. If you wish to receive CE's, please pre-enroll on the CE Central Site using the links below for each course.

Wednesday, August 12

9 a.m.

The Deteriorating Patient: Recognizing Occult Shock in the Prehospital Setting - Link to Enroll

Presented by: Stefan Zak, MD, PGY-2, Emergency Medicine, University of Kentucky

Objectives

Upon completion of this activity, participants will be able to:

- Identify early clinical features of compensated shock.
- Differentiate major shock states using history, exam, and scene clues.
- Apply evidence-based prehospital assessment, treatment, and transport strategies

10 a.m.

Extremity Trauma and Hemorrhage Control - Link to Enroll

Presented by: Dylan Woolum, MD Emergency Medicine, University of Kentucky

Objectives

Upon completion of this activity, participants will be able to:

- Distinguish between the various types of hemorrhage including arterial, venous, and capillary.
- Choose the application and selection of modern hemorrhage control modalities.
- Explain the indications and proper placement of extremity tourniquets for hemorrhage control.

If you require special physical arrangements to attend this activity, please contact **Rochelle Silvernail** at rochelle.silvernail@uky.edu or **(859) 619-6509**.

EMS HOT TOPICS

Accreditation

In support of improving patient care, UK HealthCare CE Central is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

AMA

This live activity is designated for a maximum of *1 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

ANCC

The maximum number of hours awarded for this Continuing Nursing Education activity is 1 nursing contact hour.

EMS

The Kentucky Board of Emergency Medical Services (KBEMS) certifies that this educational activity is designated for 1 KBEMS contact hour.

Respiratory Therapy

The Kentucky Board of Respiratory Care has approved this educational activity for a maximum of 1.0 KBRT contact hour.

If participants attend both sessions (9AM & 10AM) they will be eligible for a total of 2 CE credits.

An Equal Opportunity University
